Regional Physical Framework Plan, 2003-2030

- **Considers the desired development direction of LGUs**

- **Offers policy guidelines to resolve land use conflicts among various competing uses**

Vision

**The country's
Most Livable Region
where organized settlements &
production areas thrive in an
ecologically balanced environment
& where an empowered human
resource is nurtured & sustained in
its enthusiastic pursuit as the
Southern Philippines' gateway to
the world.**

*Regional Physical Framework Plan,
2003-2030*

**Overall Spatial
Development Framework**

Davao Region's Priorities

**Focus on industrial,
commercial & residential
dev't in the linear urban
corridor**
