**DAC XI Resolution No. 01, Series of 2008**

**Endorsing the Approval of the Bureau of Fire Protection (BFP) XI's Proposed List of Priority Programs, Activities and Projects (PAPs) for the FY 2009 Davao Region Annual Investment Program (AIP) with the Recommendation that a PAP Proposal for the Procurement of Fire Trucks be Included Therein**

*Whereas*, The FY 2009 Annual Investment Program (AIP) is intended to serve as the validated annual slice of Davao Regional Development Investment Program (RDIP), 2005-2010;

*Whereas*, The FY 2009 AIP will serve as basis in the review of the FY 2009 budget proposals of the regional line agencies;

*Whereas*, The proposed list of FY 2009 programs, activities and projects (PAPs) of the Bureau of Fire Protection (BFP) XI was presented to this Committee for its validation and endorsement in view of the emerging priorities of the region and its constituent local government units (LGUs), and the new policy directions set by the national government;

*Whereas*, This Committee generally finds the list consistent with the thrusts of the Davao Regional Development Plan (DRDP), 2004-2010, particularly in addressing the need to improve efficiency in disaster preparedness and management;

*Whereas*, The said list also addresses specific sectoral gaps, particularly in the following:

- a. It focuses on efforts on building the capacity of the Bureau to respond to man-made disasters/calamities.
- b. It is directed at improving the public safety and disaster management program in a more sustainable manner;

*Whereas*, While the list has been determined to have addressed the foregoing concerns, this Committee also finds the need and is therefore recommending the inclusion in such list of a proposal for the procurement of fire trucks; now, therefore, be it
