INFRASTRUCTURE DEVELOPMENT COMMITTEE XI

IDC XI Executive Resolution No. 06, Series of 2004

Endorsing to the RDC XI for Approval the Proposal to Expand the Air Services of the Davao International Airport through the Adoption of "Open Skies" Policy

Whereas, There is a need to strengthen the trade, tourism and diplomatic linkages with other countries of the world to accelerate economic development in Davao Region and Mindanao;

Whereas, In order to attain this strategy, there is a need for the Davao International Airport (DIA) in Davao City to expand its air services through the adoption of "Open Skies" policy;

Whereas, The "Open Skies" policy allows flexibility in the operations of international airline companies and other key players in the market on a competitive environment that will promote affordable and quality service, provide access to people and exchanges of goods and other services, thereby strengthening economic and diplomatic relations of Davao Region and Mindanao with other countries of the world;

Whereas, The adoption of "Open Skies" policy will directly benefit the tourism industry, agro-industrial and services sectors as well as the Overseas Filipino Workers (OFWs) in Davao Region and Mindanao; now therefore, be it

Resolved, as it is hereby resolved, That the IDC XI endorse to the Regional Development Council (RDC) XI for approval, the adoption of "open skies" policy for the Davao International Airport.

Approved unanimously this 29th day of April, Two Thousand and Four, in Davao City, Philippines.
