INFRASTRUCTURE DEVELOPMENT COMMITTEE XI

IDC XI Resolution No. 01, Series of 2005

Endorsing to the RDC XI for Approval the Inclusion of the Water Supply System Improvement Project of New Corella Water District, New Corella, Davao del Norte in the Provincial Towns Water Supply Project I and II of the Local Water Utilities Administration

Whereas, The New Corella Water District (NCWD) submitted a proposal to the Local Water Utilities Administration (LWUA) for funding assistance of the Water Supply System Improvement Project in New Corella, Davao del Norte;

Whereas, The LWUA considered the inclusion of the proposal in the "Provincial Towns Water Supply Project I and II" funded by the Kreditanstalt fur Wiederaufbau (KfW);

Whereas, The Provincial Development Council of Davao del Norte through its Executive Committee Resolution No. 02, series of 2005 endorsed the project proposal as it aims to increase the service area coverage of the facility and provide better and efficient delivery of services to the people;

Whereas, While the proposal is consistent with the development thrust of the water and utilities sector; the proponent needs to address the issues and concerns raised by the Committee relative to the proposal; now, therefore, be it

Resolved, as it is hereby resolved, To endorse for Regional Development Council (RDC) XI consideration the inclusion of the Water Supply System Improvement Project of New Corella Water District in the Provincial Towns Water Supply Project I and II of the LWUA subject to the submission of additional requirements and resolution of the issues and concerns raised by the Committee as follows:

- a. Assessment report on the impact of the Project to the environment
- b. Evaluation that will show the financial and economic viability of the project in terms of net present value, internal rate of return and cost-benefit ratio
- c. Institutional arrangement and monitoring mechanism to be adopted in the implementation of the Project
- d. Pricing mechanism to ensure affordable water service to the consuming public after the improvement shall have been implemented
- e. Logical Framework for the Project
