IDC XI Resolution No. 01, Series of 2006

Endorsing to the RDC XI for Approval the Construction/Improvement of Padada-Kiblawan-Columbio-Datu Paglas Road (Sections 1, 2 and 3) for Japanese Government Assistance under the General Grant Aid Program

Whereas, The Department of Public Works and Highways XI proposed the Construction/Improvement of Padada-Kiblawan-Columbio-Datu Paglas Road (Sections 1, 2 and 3) for Japanese Government Assistance under the General Grant Aid Program;

Whereas, The Infrastructure Development Committee (IDC) XI finds the proposed project consistent with the thrusts and priorities of the region as cited in the Davao Region Development Plan, 2004-2010 to enhance access and linkage outside Davao Region; now therefore be it

Resolved, as it is hereby resolved, That the IDC XI endorse to the Regional Development Council (RDC) XI for approval the Construction/Improvement of Padada-Kiblawan-Columbio-Datu Paglas Road (Sections 1, 2 and 3) for Japanese Government Assistance under the General Grant Aid Program, subject to the conversion of the subject road from local to national category and the submission of the following requirements:

1. Provincial Development Council endorsement of the Project
2. Logical Framework for the Project

Resolved further, That a re-evaluation of the economic feasibility of the Project using Road Economic Decision (RED) Model should also be made to consider the following:

1. Inclusion in the evaluation the economic benefit from induced and diverted traffic, social benefits for an improved access on delivery of education, health, safety and security benefits.
2. Four of the seven river crossings identified in the Study earlier prepared were recently provided with permanent type of bridges and the use of gravel surface pavement for Sections 2 and 3 instead of asphalt or concrete.
