IDC XI Resolution No. 02, Series of 2006

Endorsing to the RDC XI for Approval the Construction of Fatima Bridge in Paquibato District, Davao City under the 'Tulay ng Pangulo sa SZOPAD/Mindanao' Project of the President's Bridge Program

Whereas, The Executive Committee of the City Development Council of Davao through its CDC Res. No. 21, Series of 2005, endorsed for RDC XI consideration the construction of Fatima Bridge in Paquibato District, Davao City under the 'Tulay ng Pangulo sa SZOPAD/Mindanao' Project of the President's Bridge Program (PBP) implemented by the Department of Public Works and Highways;

Whereas, The proposed project conforms with the bridge selection criteria/requirements of PBP;

Whereas, The Infrastructure Development Committee (IDC) XI finds the proposed bridge project consistent with the thrusts and priorities of the region as it promote greater economic opportunities and faster delivery of basic services to beneficiaries-communities and enhance the utility of existing local road network; now therefore be it

Resolved, as it is hereby resolved, That the IDC XI endorse to the Regional Development Council (RDC) XI for approval the construction of Fatima Bridge in Paquibato District, Davao City under the 'Tulay ng Pangulo sa SZOPAD/Mindanao' Project of the President's Bridge Program.

Resolved further, That a river hydraulic study be undertaken in order to obtain valuable information in the design and construction of a structure to protect the bridge facility from possible damage due to strong river water flow during high floods at the site.

Resolved finally, That a copy each of this resolution be given to the City of Davao and the Department of Public Works and Highways XI for information and appropriate action.
