IDC XI Resolution No. 05, Series of 2007

Recommending to RDC XI to Endorse the Inclusion of Batutu River Irrigation system (RIS) in Compostela, Compostela Valley and Lupon RIS in Lupon, Davao Oriental under the Participatory Irrigation Development Project (PIDP)

Whereas, The National Irrigation Administration (NIA) Central Office submitted for RDC XI endorsement the inclusion of the Batutu RIS and Lupon RIS in the PIDP to be funded under the World Bank:

Whereas, The PIDP specifically aims to address the immediate improvement, rehabilitation and modernization needs of existing national irrigation systems and strengthen the farmer irrigators association (IAs) in collaboration with the local government units (LGUs);

Whereas, Category Core-A under the PIDP are those systems which have not undergone rehabilitation for the past 8-10 years with irrigation management transfer as minor activity and that these two systems were identified to be under this category;

Whereas, The Provincial Development Councils of Davao Oriental and Compostela Valley, favorably endorsed the proposed inclusion of the two RIS under the PIDP;

Whereas, The members of the Committee finds the projects supportive of the region's thrust and priorities as irrigation development is an immediate activity needed to improve productivity and make agricultural products more competitive in the domestic and global market; now therefore, be it

Resolved, as it is hereby resolved, That the IDC XI recommend to the RDC XI to endorse the inclusion of Batutu RIS in Compostela, Compostela Valley and Lupon RIS in Lupon, Davao Oriental under the Participatory Irrigation Development Project (PIDP).

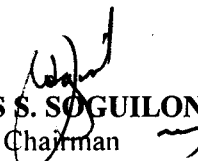

Resolved further, That a copy of this resolution be given to the provinces of Davao Oriental, and Compostela Valley, municipalities of Compostela and Lupon and the National Irrigation Administration Central Office and Regional Office XI for information and appropriate action.

Approved unanimously this 29th day of March, Two Thousand and Seven in Davao City, Philippines.
