INFRASTRUCTURE DEVELOPMENT COMMITTEE XI

IDC XI Resolution No. 11, Series of 2009

Recommending to RDC XI to Endorse Six (6) Priority Infrastructure Projects of Compostela Valley for National Funding

Whereas, the Provincial Government of Compostela Valley has identified the following priority infrastructure projects with their corresponding costs, namely;

- a. Construction of a 45 linear meter Reinforced Concrete Deck Girder (RCDG) Bridge at Barangay Sta. Emelia, Laak (Php 27 million)
- b. Desilting of Kingking River at Barangay Kingking, Pantukan (Php 100 million)
- c. Concreting with bridge component of the 18 kilometer section of the Montevista Junction Highway-Canidkid-Prosperidad-Baluarte Road (Php 150 million)
- d. Construction of a 7 kilometer farm-to-market road from Barangay Casoon, Monkayo to Barangay Kidawa, Laak (Php 10 million)
- e. Opening of a farm-to-market road in Manurigao, New Bataan (Php 70 million)
- f. Manat River-Banaybanay River Control Project (no cost estimates);

Whereas, given enormous costs of the foregoing projects and financial constraints of the province, the Provincial Development Council (PDC) of Compostela Valley through its Resolution No. 05, Series of 2009, has endorsed these projects to the Honorable Secretary of the Department of Public Works and Highways (DPWH) for funding;

Whereas, the said Compostela Valley PDC resolution was referred to this Committee for evaluation and recommendation to RDC XI for endorsement to the Honorable Secretary of DPWH for consideration;

Whereas, this Committee finds the projects proposed for DPWH funding critical to the improvement of the mobility of people, goods and services, as well as the protection of vital agricultural production lands and the population of low-lying areas of Compostela Valley, which can help promote the overall socio-economic development of Davao Region;

Whereas, this Committee acknowledge the financial constraints of the Provincial Government of Compostela Valley to implement the proposed projects; now, therefore, be it;
